To members of the Judicial Committee,

I am writing you to oppose bills S.B 16 Legislation and oppose gun control and H.B. 5416- an act concerning bulk purchases of pistols and revolvers.

I support raised S.B No.388-An act concerning the defense of a person or person's dwelling, place of worker motor vehicle.

I support raised H.B. No. 5415- an act concerning the transfer of assault weapons and large capacity magazines.

I support raised H.B. No. 5412- an act concerning the duty to retreat in a religious house of worship.

Your bills are comparing law abiding gun owners to criminals. Gun control laws are not helping to stop criminals as your statistic show, maybe due to criminals never obeying your laws.

I find it disheartening that us law abiding gun owners are being labeled as a criminals by the governor and the democratic party. Our founding fathers put in all of amendments for a reason, even if you don't think so. This is unconstitutional!

I practice gun safety and follow our Ct and Federal laws along with all these other law abiding gun owners. With limited places to carry, it is making it hard to defend ourselves . Why can you politicians have armed guards to defend themselves and expect us not to do the same. I wonder what the Ukrainians would say about not having restricted or assault weapons now? I think we all know that answer.

Thank you for taking to time,

William Malkasian
